

by a resolution of the Continental Congress, the stars and stripes were formally adopted as the flag of the United States.

The price of history suggests a sentiment, which I beg leave to offer:

Our National Flag: First hoisted before

Boatmen on the embankment of the sea, and

Freedom! Wherever it floats, may it never

fail to inspire the sentiments in which it has

its origin!

VERMONT INDEPENDENT DEMOCRATIC PARTY CONVENTION.

This body met at Montpelier on the 7th inst. We learn from the *Green Mountain Freeman* that the Convention was a grand success. It was a "Acting delegates" representing nearly every portion of the State, numbered about three hundred, and were among the finest and most intelligent men Vermont can boast. Though a majority, perhaps, of the Convention was composed of that part of the Democracy who were in favor of the Free Soil party, yet a large portion of them, we were gratified to perceive, were those who came from the Democratic party into the union of the 31st May, 1849, and whom mingled in the action of the Convention with the firmness of the oldest veterans of liberty, and in the spirit of the truest patriots.

There is a party in Vermont which aspires to be called the Democracy. In some respects this claim is well founded. This party, in its creeds and formalities, recognises the fundamental doctrine of government by the People, namely: Equal Rights to Life, Liberty, and Happiness; and endeavors to realize these doctrines in several very important particulars. Still this party, seeking the control of the National Government, and finding it hard to obtain that control without the aid of a great special interest antagonistic in essence to Democracy, has been induced to waive the application of those doctrines to questions affecting that interest. This statement does not mean that the Democracy is in favor of Slavery.

Hence the necessity for another party to carry out Democratic principles in their applications to Slavery, as well as other questions and interests. Such a party has arisen, and has called itself the Free Democracy, or the Free Soil Party. But this party is not more than a compromise between the mere freedom of the soil; and it is not exclusively true of it that it is free. Except where Slavery is concerned, the other Democracy is just as free. Its proper name, therefore, is the Independent Democracy; for it asserts its perfect independence of the other Democracy. The proper name of the other Democracy is the Compromise Democracy; for it seeks its objects through compromise with the Slave Power.

Let, then, the friends of Freedom claim their own name. Let them call themselves the Independent Democracy, and insist on being so called without allowing the name to be used to the address of any list which may be forwarded. Any other Congressional speeches ordered will also be forwarded, so far as they can be obtained.

To enable the Association to publish documents, and otherwise to defray its necessary expenses and achieve its object, a fund of at least 2,000 dollars is needed. Let those who are able and willing forward their contributions without delay.

A. M. GANNEWER, Secretary.

GREENWOOD LEAVES FROM OUR SEA!

No 5 is crowded out this week by the untimely space occupied by the "D. C. Era." We hope our friends will be active in circulating this document. It will be useful for reference.

A number of articles inserted on this paper have been crowded out.

DARTMOUTH COLLEGE—CLASS OF 1850.

We observe in the Boston Traveller, a notice that the Dartmouth College Class of 1850 will meet at Hanover, N. H., at the coming Commencement on the 29th inst. The able and estimable editor of the Traveller, Mr. Pundich, was, we believe, a member of that class, and was also Secretary of the Convention of the Hon. Elleanor Allen, Secretary of State of Texas at the time of the annexation. We wish them and their classmates a happy meeting. We understand Senator Chase proposes to be present, if the state of business in the Senate at the time will allow.

THE ADDRESS OF THE "INDEPENDENT DEMOCRATIC ASSOCIATION OF THE DISTRICT OF COLUMBIA"

will be found in this week's Era. We commend it to attention. Our editorial brethren will confer a favor upon the Association by giving it a place in their columns.

LETTER FROM SENATOR CHASE, OF OHIO, TO HON. B. F. BUTLER, OF NEW YORK.

The crowded state of our columns prevents the publication of this important letter in this week's Era. It reviews at length the course of the Administration of Mr. Fremont, and his action in 1848 with their present position. It is a candid review of his past action on the question of Slavery, and we trust it will receive the attention which its importance demands.

Subsequently a committee was appointed to interrogate General Pierce and Scott relative to their position on the question of Slavery, and the right of secession, and other points of their political faith. If any party answer in accordance with the views of the Southern Rights party of Alabama, it will receive its terms in the Presidential contest. If the answers of both should prove unsatisfactory, the Committee is authorized to call another convention for the purpose of nominating a candidate for the Presidency.

UNION CONVENTION.—Montgomery, July 13. The Union State Convention, which met here yesterday, declined to receive any terms for the date for the Presidency, and recommend Union men to pursue any course they might think proper.
